Dear Saints and praying Friends,

We greet you in the ever-precious name of our Lord and Savior Jesus the Christ and offer our sincere wishes for a spirit filled and productive 2022.

We continue to thank the Lord for His faithfulness throughout 2021. Another challenging year, but the Lord's protecting hand was evident in our lives amidst the raging Covid Pandemic. We continue to do all in our powers to keep safe, but the Lord has the final say in our wellbeing.

We are grateful to the Lord for the Virtual platform that He has made available through social media when face to face meetings are not possible. As a result, we were able to minister the Word locally, regionally, and internationally.

The Radio program "The Brethren Hour", has taken on added significance in this troublesome covidious season. We continue to receive encouraging feedback from the public all the time. We are praying that many lost souls will be brought to the kingdom because of this ministry. We are humbled to be used as a tool in this area. In addition to GBN, the Lord has opened 2 other stations - HYPE Radio and LITE Radio, where our messages are aired.

What a joy it was to be able to recommence the school ministry, which came to an abrupt halt with the onset of the pandemic in 2020. God has indeed answered our prayers. We are praying that the Lord will arrest the hearts of these young men in their formative years, so they can grow into stalwarts for His kingdom.

We have continued to carry out personal evangelism, letting folks know the importance of being saved and prepared to meet the Lord. We follow all protocols that have been laid down.

Our ministry and visits to the assemblies on the island have been hindered at times by the Lockdowns, but have had many opportunities when it was possible.

The past year has been challenging for us as Sherma went through her Chemotherapy treatments after her surgery at the end of 2020. God has been gracious to her. He continues to give the grace and the strength. The last doctor's report was favorable. Thanks for all your prayers and for those of you who gave gifts. We will be forever grateful to you.

Praise the Lord for answering our prayers concerning a job for our son Joshua. He is now employed with the TA Marryshow Community College as the Audio-Visual Technician and in charge of music. He is continuing his studies to make himself more marketable.

Thank God for the opportunity to return to the school ministry and for the joy of baptizing a young man who was saved because of this work.

Thank God for a measure of health and strength and for His provision for us throughout 2021.

Please pray for the following
