Dear Saints and Praying Friends,

We greet you in the ever-precious name of our Great God and our Savior Jesus the Christ and extend to you all, a Spirit Filled and blessed 2023.

Our hearts are overflowing with gratitude and praise to our Heavenly Father who has graciously brought us through 2022 and has provided for us in so many ways. Our God is Good and Great and kind. Praise His wonderful and marvelous name.

We are grateful to all you dear Saints whom the Lord used to meet our several needs during this past year. In our last Newsletter, we solicited your prayers for the finance needed to repair our House Roof. The Lord has answered in a marvelous way, by not only providing the monies needed, but just the right team to do the work. What a mighty God we serve!

We continue to be thankful to the Lord for the opportunities we have to share the Gospel on the Brethren Hour on the Grenada Broadcasting Network (GBN), and two other radio stations. We are confident that the Word of God will always accomplish the Work it was destined to do in the hearts and lives of those who listen.

This past year, we have been fortunate to be able to recommence our School Ministry after the disruption brought about by the COVID-19 Pandemic. All the schools have not opened up, but we continue to pray that the others will come on board in the very near future.

As the Lord continues to give us a passion for the Lost, we are happy to share the Gospel to all those we come across. We have conducted Bible Studies with those who have professed Faith in the Lord and we are

delighted to report that since our last newsletter, we had two baptisms and some were added to the fellowship of the Assemblies.

Although we have not been able to travel since 2019, we are grateful for several opportunities afforded us to share the Word and minister to the Saints regionally and internationally, using the Zoom platform.

Our weekly visits to our Assemblies throughout the island continue as we seek to preach, teach and encourage each other.

Thanks for your continued prayers and your faithful support. It is greatly appreciated.

Do continue to pray for the following:

- That the Lord will provide for a vehicle that is more road worthy, as we crisscross the island preaching the gospel and encouraging the Saints.
- For our son Josh, as he continues to serve the Lord using his musical talents and for extra commitment to the things of God.
- For fresh anointing to do the work of the Lord.
- For Camp 2023 - We have not had Camp since 2019.
- Continued prayers for Sherma, who have had favorable reports from the doctor this past year.
- Plans to travel to North America in early May and then to the IBCM Conference in Malaysia, from June 19th to 24.

May the Lord bless and prosper you all in all things.

Because of Calvary,

Daniel & Sherma Ross
